PORTFOLIO

ABOUT US

Company story

Founded by experts in architecture, real estate and design, Parallel Group is a company with invaluable expertise fully used in creating turnkey projects for clients worldwide.

With a long-term heritage of delivering exceptional results within the residential and commercial real estate sectors, we have a tendency for expansion and growth in different areas of real estate.

What we do

Supervision Architectural concepts
Construction projects 3D rendering, 360
environment VR interactive visualization
interior design, furniture and outsourcing services
(Only for B2B Clients).

We offer a solution that covers
all aspects of a project
from an audit, planning, design,
management, reconstruction, development,
reviewing and logistics. **Apple Vision Pro** You can experience
all your projects with Apple's Vision Pro.

INTERIOR DESIGN

Furniture is only sourced from bespoke EU manufacturers. Custom design furniture designed by our creative team. We prefer sustainable, environment-friendly products and materials with implemented functional and innovative technology.

Who We Are?

We are Parallel Group Architects — an experienced multidisciplinary design studio with two core areas of expertise: ***architectural design and interior design***. We are dedicated to delivering innovative and functional spaces for contemporary living, working and urban development. With a proven track record in the industry, we approach each project with creativity, precision and a deep understanding of spatial quality and client needs.
